

JORDAN BRYANT

Objective

Seeking commercial and fashion modeling opportunities to bring value to brands and productions.

Personal Summary

I'm a 6'4" commercial model, with runway & content creation experience. After graduating on basketball scholarship I've pivoted to modeling with a highly confident walk and a 38L Sample Size frame.

I offer a unique look & athletic build. Whether it's high-fashion luxury suiting, street fashion, technology or retail products, I understand how to move and represent your brand. I have industry-standard footwear (Size 13) and a 36" inseam for high-fashion. Residences in Northern & Southern California, ready to travel and work!
